## EDUCATION

*2016-Present* · **The University of Calgary**

*Bachelor of Arts*

GPA: 3.72 · *Honours* · School: Faculty of Arts
Major Economics, Minor Data Science.

## WORK EXPERIENCE

*2019* · **Summer Student - Workforce Planning & Analytics**
HUSKY ENERGY INC. — Calgary

*Husky Energy Inc.*

Researched labor market conditions and the workforce planning impacts of advanced technologies in oil & gas. The resulting research was presented to senior leaders in monthly and quarterly reports.

*2019* · **PASS Leader**
UNIVERSITY OF CALGARY — Calgary

*University of Calgary*

Facilitated a collaborative student-led learning environment that helped students succeed in introductory econometrics. I prepared engaging activities that allowed students to master course content, as well as practice questions and mock exams that students used to improve their performance on assignments and exams.

## VOLUNTEER EXPERIENCE

*2019* · **Director of IT**
SOCIETY OF UNDERGRADUATES IN ECONOMICS — Calgary

*University of Calgary*

Managed the club's website (ucalgarysue.com) along with an exam bank of economics exams using a cloud-based web development platform. In collaboration with the club's communication team, I increased website traffic by 182% compared to the previous year through a website redesign, mailing lists, and promotions/events on the website.

*2014–2015* · **Youth Soccer Coach**
EASTSIDE MEMORIAL FC — Calgary

*Eastside Memorial FC*

Coached a U10 boys (i.e. boys aged 8-10 years old) soccer team. I was responsible for managing equipment, planning practices to promote skill development, and helping kids develop a love and respect for each other and the sport.
